ZERO TAX RATE INCREASE

Port Arthur ISD's I&S Tax Rate will **not** increase if these bond proposals are approved by voters.¹ However, state law requires every school district to include the statement "This is a Property Tax Increase" on the ballot, regardless of the actual impact on the district's tax rate.

ON YOUR BALLOT ...

PROPOSITIONS A & B

"THE ISSUANCE OF ... BONDS BY THE PORT ARTHUR INDEPENDENT SCHOOL DISTRICT... THIS IS A PROPERTY TAX INCREASE."

THIS STATEMENT IS REQUIRED BY LAW FOR ALL TEXAS SCHOOL BONDS.

This is an increase in the school district's debt, but not a property tax rate increase.

¹ Based on current tax values and market conditions. If the District sustained loss in taxable values of property, it could be required to raise the tax rate, but this is not anticipated, and the district has used very conservative projections to determine no tax rate increase will be required.
